Chalet Tolar...

The spacious, family-friendly Chalet Tolar, in Chinailon, Le Grand Bornand, is a great choice for large groups planning a mountain holiday with young children.

Formerly known as Chalet Etoile, this popular property is just a 10-minute walk from the centre of the village, where you will find a good choice of shops and restaurants, as well as the ski lifts. If you'd rather not walk, the ski bus stops regularly just 100 m from the door.

One of the more unusual features of Chalet Tolar is its large flat garden - a real treat in the mountains! It comes with the added bonus of a hot tub and stunning views. However, families with young children should be aware there is a steep bank between the garden and the river.
